

Premium Hollow Square Section Aluminium Tube ISO9001 For Aerospace Marine

Our Product Introduction

for more products please visit us on galvmetal.com

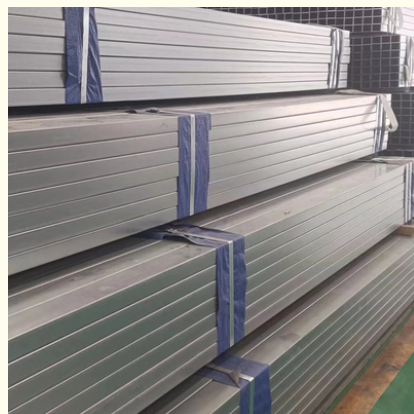

Basic Information

- Place of Origin: Hebei, China
- Certification: ISO9001
- Minimum Order Quantity: Negotiable
- Price: Negotiable
- Packaging Details: According to customer needs
- Delivery Time: 15-30 work days
- Payment Terms: TT

Product Specification

- Rustproof: Yes
- Malleability: High
- Application: Construction, Automotive, Aerospace, Marine, Etc.
- Color: Silver
- Weldability: Good
- Shape: Square
- Durable: Yes
- Size: Customizable
- Highlight: hollow square section aluminium tube, square section aluminium tube iso9001, premium 25mm aluminium square tube

Product Description

Product Description:

The Zinc Magnesium Aluminum Square Tube is also rustproof, which makes it ideal for use in outdoor and marine applications. Its excellent corrosion resistance properties make it a popular choice for harsh environments where other materials may fail.

One of the unique features of this Zinc Magnesium Aluminum Square Tubing is its square shape. This shape makes it easy to fabricate and install, making it an ideal choice for a wide range of applications.

The Zinc Magnesium Aluminum Square Tube has good weldability, which makes it easy to work with and customize. Its weldability makes it an ideal choice for applications that require customization or modification.

In summary, the Zinc Magnesium Aluminum Square Tube is a versatile and durable material that is ideal for a wide range of applications.

Its lightweight and rustproof properties make it ideal for use in outdoor and marine applications, while its square shape and good weldability make it easy to work with and customize. Made from Zinc Aluminum Magnesium strip steel, this Zinc Magnesium Alloy Square Pipe is a reliable and cost-effective solution for a variety of industrial applications.

Technical Parameters:

Surface Treatment	Zinc Magnesium Aluminum
Application	Construction, Automotive, Aerospace, Marine, Etc.
Material	Zinc, Magnesium, Aluminum
Corrosion Resistance	High
Weldability	Good
Shape	Square
Durable	Yes
Malleability	High
Lightweight	Yes
Rustproof	Yes

Applications:

The Zinc Magnesium Aluminum Square Tube is made of Zinc aluminum magnesium strip steel, which is a high-quality material with excellent heat conductivity and corrosion resistance. This makes it suitable for use in a variety of industries such as construction, transportation, and manufacturing.

The Zinc Magnesium Aluminum Square Tube is highly resistant to corrosion, making it ideal for use in harsh environments where other materials would corrode quickly. This makes it suitable for use in marine and coastal applications where saltwater and moisture can cause corrosion.

In summary, the Zinc Magnesium Aluminum Square Tube is a high-quality, customizable product that is suitable for a wide range of applications. Its lightweight, high heat conductivity, and corrosion resistance make it ideal for use in construction, transportation, and manufacturing industries. Contact us today to learn more about this product and how it can benefit your business.

Packing and Shipping:

Product Packaging:

Each square tube will be wrapped in protective material to prevent scratches and damage during transportation.

All tubes will be packed in a sturdy cardboard box.

The box will be sealed with tape to ensure safe delivery.

Shipping:

The product will be shipped within 2 business days of order confirmation.
We use reliable shipping companies to ensure timely and safe delivery.
You will receive a tracking number once the product has been shipped.
Delivery time may vary depending on your location.

FAQ:

Q: What is the place of origin for the Zinc Magnesium Aluminum Square Tube?

A: The Zinc Magnesium Aluminum Square Tube is produced in Hebei, China.

Q: Has the Zinc Magnesium Aluminum Square Tube been certified?

A: Yes, the Zinc Magnesium Aluminum Square Tube has been certified with ISO9001.

Q: What is the minimum order quantity for the Zinc Magnesium Aluminum Square Tube?

A: The minimum order quantity for the Zinc Magnesium Aluminum Square Tube is negotiable.

Q: Is the price for the Zinc Magnesium Aluminum Square Tube negotiable?

A: Yes, the price for the Zinc Magnesium Aluminum Square Tube is negotiable based on the quantity ordered.

Q: How is the Zinc Magnesium Aluminum Square Tube packaged and what is the delivery time?

A: The Zinc Magnesium Aluminum Square Tube is packaged according to customer needs and has a delivery time of 15-30 work days.

Q: What are the payment terms for ordering the Zinc Magnesium Aluminum Square Tube?

A: The payment terms for ordering the Zinc Magnesium Aluminum Square Tube are TT (Telegraphic Transfer).
